

We may ask you about your health issue when you call to book an appointment.

This is called **Care Navigation**.

It's about helping you get to the service you need.

Our specially trained reception team may suggest other professionals that could help you better.

Care Navigation

Nurse

Pharmacist

Community services

Wellbeing support

Voluntary services and other groups

You can find out more about **Care Navigation** by picking up a leaflet in our practice or visiting our website.

The right care from the right person, first time
